## **INSTRUCTION MANUAL**

## **Rework Left Hand Support**

Ref. HRL-A

# Packing List

The following items are included:

**Tool Arm** ..... 1 unit  
Ref. HRL-A

**Height adj. Knob**..... 1 unit  
Ref. 0023991

**Manual** ..... 1 unit  
Ref. 0024160

## Assembly

### Setting up the Tool Arm

Insert the height adjuster and the arm on the shaft and adjust the knob.

In case of using both left and right arms, set them as shown in the picture, according with the letter back of the arm support, to keep the supports at the same height.

### Height Adjustment

The support allows adjustment for different heights according to your work needs through the vertical axis.

Slide the arm to the appropriate height and secure by tightening the knob to guarantee stability.

### Maintenance

- Check periodically that the Hand Support is clean, especially the sliding parts and the shaft.
- Use a damp cloth when cleaning. Alcohol can only be used to clean the metal parts.
- Replace any defective damaged parts. Use original JBC spare parts only.

Not leave up the Arms over the PH when PH is working.

# Work Position Adjustment

The RHB-A arm allows adjustment for different positions according to your work needs. The articulated arm covers all work areas.

See the work correct position of the hand in the following images.

## Accessories

## Safety

**It is imperative to follow safety guidelines to prevent electric shock, injury, fire or explosions.**

- Do not use the equipment for any purpose other than PCB rework. Incorrect use may cause fire.
- The temperature of accessible surfaces may remain high after the unit is turned off. Handle with care.
- Be careful with the fumes produced when soldering.
- Keep your workplace clean and tidy. Wear appropriate protection glasses and gloves when working to avoid personal harm.
- Not leave up the arms directly above heat surfaces
- Utmost care must be taken with liquid tin waste which can cause burns.
- This appliance can be used by children over the age of eight as well as persons with reduced physical, sensory or mental capabilities or lacking experience provided that they have been given adequate supervision or instruction concerning use of the appliance and understand the hazards involved. Children must not play with the appliance.
- Maintenance must not be carried out by children unless supervised.

# Specifications

- Total weight: 1,2 kg (2.65lb)
- Arm length: 444,5 mm (17.5 in)

Complies with CE standards  
ESD Safe
